INDEPENDENT AUDIT REPORT
TO THE MEMBERS OF THE
AUSTRALIAN INSTITUTE OF ADMINISTRATIVE LAW
INCORPORATED CONTROLLED ENTITIES

Scope

We have audited the financial report, being a special purpose financial report of the Australian Institute of Administrative Law Incorporated for the year ended 30 June 2010. The Committee is responsible for the financial report and has determined the financial report is appropriate to meet the requirements of the Associations Incorporation Act 1991 (ACT) and is appropriate to meet the needs of the members. We have conducted an independent audit of this financial report in order to express an opinion on it to the members of the Australian Institute of Administrative Law Incorporated. No opinion is expressed as to whether the accounting policies used are appropriate to meet the needs of the members.

The financial report has been prepared for the purpose of fulfilling the requirements of the Associations Incorporation Act 1991 (ACT). We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 so as to present a view which is consistent with our understanding of the Association's financial position, and performance as represented by the results of its operations and its cash flows. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

Liability limited by a scheme approved under Professional Standards Legislation

Audit Opinion

In our opinion:

- (a) the financial statements of the Australian Institute of Administrative Law and its controlled entities are properly drawn up:
 - (i) so as to give a true and fair view of its state of affairs at 30 June 2010 and the results of its operations for the financial year then ended and the other matters required by Section 72 (2) of the Associations Incorporation Act 1991 (ACT) to be disclosed in the financial statements;
 - (ii) in accordance with the provisions of the Associations Incorporation Act 1991 (ACT); and
 - (iii) in accordance with applicable Accounting Standards and other mandatory professional reporting requirements.
- (b) we have obtained all the information and explanations required; and
- (c) proper accounting records and other records have been kept by the Australian Institute of Administrative Law controlled entities, as required by the Associations Incorporation Act 1991 (ACT).

Dated this *22nd* day of *November* 2010 at Canberra, ACT.

Notes to the Financial Statements For the Year Ended 30 June 2010

Note 1: Statement of Significant Accounting Policies

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards, Urgent Issues Group Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Associations Incorporation Act 1991 (ACT).

The financial report covers Australian Institute of Administrative Law as an individual parent entity and Australian Institute of Administrative Law and controlled entities as an economic entity. The Australian Institute of Administrative Law Incorporated is an association incorporated in the Australian Capital Territory under the Associations Incorporation Act 1991 (ACT).

The financial report of the association as an individual entity complies with all Australian equivalents to International Financial Reporting Standards (AIFRS) in their entirety.

The following is a summary of material accounting policies adopted in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Basis of Preparation

Reporting Basis and Conventions

The financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, and financial assets and financial liabilities for which the fair value basis of accounting has been applied.

(a) Principles of Consolidation

A controlled entity is any entity controlled by the Australian Institute of Administrative Law. Control exists where Australian Institute of Administrative Law has the capacity to dominate the decision-making in relation to the financial and operating policies of another entity that operates with Australian Institute of Administrative Law to achieve the objectives of the Australian Institute of Administrative Law.

All inter-entity balances and transactions between entities in the economic entity, including any unrealised profits or losses, have been eliminated on consolidation.

Where a controlled entity has entered or left the economic entity during the year, its operating results have been included from the date controlled was obtained or up to the date control ceased.

**Australian Institute of Administrative Law
Incorporated and Controlled Entities**

Notes to the Financial Statements For the Year Ended 30 June 2010

Note 1 : Statement of Significant accounting Policies(Cont'd)

(b) Income Tax

No taxation has been provided for as the association is exempt from income tax under Section 50-5 of the Income Tax Assessment Act 1997.

(c) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

(d) Revenue

Revenue from the sale of goods is recognised upon delivery of goods to customers.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

(e) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expenses. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(f) Financial Instruments

Recognition

Financial instruments are initially measured at cost on trade date, which includes transactions costs, when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method.

**Australian Institute of Administrative Law
Incorporated and Controlled Entities**

Notes to the Financial Statements For the Year Ended 30 June 2010

Note 1 : Statement of Significant accounting Policies(Cont'd)

(f) Financial Instruments(Cont'd)

Financial liabilities

Non-derivative financial liabilities are recognised at amortised costs, comprising original debt less principal payments and amortisation.

Impairment

At each reporting date, the association assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the income statement

(g) Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(h) Critical accounting estimates and judgements

The directors evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the association.

Note 13: Financial Instruments

(a) Financial Risk Management

The association's financial instruments consist mainly of deposits with bank, accounts receivable and accounts payable.

Financial Risks

The main risks the association is exposed to through its financial instruments are interest rate risk, liquidity risk and credit risk.

Interest rate risk

Interest rate risk is managed with a mixture of fixed and floating rate debt. For further details on interest rate risk refer to Note 13 (b).

Liquidity Risk

The association manages liquidity risk by monitoring forecast cash flows.

Incorporated and Controlled Entities**

Notes to the Financial Statements For the Year Ended 30 June 2010

Note 13 : Financial Instruments (Cont'd)

(a) Financial Instruments(Cont'd)

Financial liabilities

Credit Risk

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets is the carrying amount, net of any provisions for impairment of those assets, as disclosed in the balance sheet and notes to the financial statements.

The association does not have any material credit risk exposure to any single receivable or group of receivables under financial instruments entered into by the association.

(b) Interest Rate Risk (Consolidated)

The association's exposure to interest rate risk, which is the risk that a financial instrument's value will fluctuate as a result of changes in market interest rates and the effective weighted average interest rates on classes of financial assets and financial liabilities, is as follows:

	Weighted Average Effective Interest Rate		Floating Interest Rate		Fixed Interest Rate Maturing 1 to 5 Years		Non Interest Bearing

(c) Net Fair Values

The net fair values of listed investments have been valued at the quoted market bid price at balance date adjusted for transaction costs expected to be incurred. For other assets and other liabilities the net fair value approximates their carrying value. No financial liabilities are readily traded on organised markets in standardised form other than listed investments. Financial assets where the carrying amount exceeds net fair values have not been written down as the association intends to hold these assets to maturity.

The aggregate net fair values and carrying amounts of financial assets and financial liabilities are disclosed in the balance sheet and in the notes to the financial statements.
